

Welcome to Lake Wallenpaupack

- ❖ Lake Wallenpaupack is the largest man-made lake in Pennsylvania. Construction began in early 1924 and 2,700 men worked nearly two years to complete the project.
- ❖ Lake Wallenpaupack is comprised of over 5,700 acres and is 13 miles long and two miles wide with 52 miles of unspoiled shoreline.
- ❖ The average depth of the Lake is 40 feet.
- ❖ The Lake has four recreational islands. Visitors are welcome to enjoy the islands during the daytime hours.
- ❖ Every July 4th there is a giant fireworks display, which takes place from the shoreline of Lake Wallenpaupack.
- ❖ There are 300 acres of 'natural area' covering over 2 miles of shoreline and are available to the public for hiking and snowmobiling. Hunting is permitted in season. This area is called "Shuman Point."
- ❖ Lake Wallenpaupack will give you some of the best fishing times of your life! The Lake is stocked by the PA Fish Commission. There are numerous varieties of fish, such as small mouth bass, large mouth bass, rock bass, striped bass, muskellunge, walleyed pike, rainbow trout, brown trout, pickerel, yellow perch, bluegills, crappie and catfish.
- ❖ Watercraft, from canoes to cruisers, is permitted in the Lake. Sailboat races are held every weekend between July 1 and Labor Day. Jet skis are permitted on the Lake.
- ❖ Tanglwood Family Ski area overlooks Lake Wallenpaupack.
- ❖ There are several lakeside restaurants at Lake Wallenpaupack. Dock and Dine is a tradition at the Lake.
- ❖ Lake Wallenpaupack, when it freezes, becomes a great spot for ice fishing, ice boating, and ice golfing, not to mention snowmobiling.
